ACS SEEKS VOLUNTEERS

ACS is seeking volunteers to man the Welcome Center at Larson Barracks, bldg. 12, daily from 1430-1800.

This is an excellent opportunity for FRG leaders or FRG welcome committee members, as this is the first impression a newly arriving family member will receive of our community. After a long flight from the U.S. and a long bus ride from Frankfurt, family members have to wait while the soldier attends an in processing brief.

The idea of the Welcome Center is to provide a friendly, welcoming, and informative environment for family members to relax, gather information, watch TV, read a book, or learn about our community. Volunteers will provide information, drinks, cookies, and other comfort items as needed.

Volunteers will need to be friendly, comfortable talking with strangers, able to distribute and articulate information to units and FRG groups.

For more details/information contact Ms. Elizabeth Maher, Installation Volunteer Coordinator at DSN 350-7103 or CIV 0931-889-7103.
